

Civil Engineering Project Manager

R.H. Batterman and Co., Inc. (Batterman) is adding to our Civil Engineering Team due to expanding markets, planned company growth and the implementation of our company strategic plan. We are an established multi-disciplined firm with a long history as a leader in the Civil Engineering and Survey Professions. Over the past 103 years our firm of 29 professional staff has encountered little turnover, other than through planned retirements. Batterman has an exciting opportunity for the right candidate. We understand the best way to continue to provide excellent service to our clients is to hire talented, technically competent, motivated employees who are ready to continue the long Batterman tradition of being committed to our employees and community.

As a part of our growing civil engineering team you will take the lead in design and/or construction management of various transportation, land/site development, infrastructure, and facility improvement projects.

In order to be considered for this position you will need the following basic requirements:

- Bachelor's Degree from an accredited university with emphasis in Civil Engineering
- PE license or the ability to obtain within one year of hire date
- Minimum of 5 years of design experience in Municipal, site development, grading, drainage, storm water and related permitting in Wisconsin and Northern Illinois
- Project Management is required.
- Experience in Business Development and Client interaction is a plus
- The ability to work collaboratively with other team members and clients
- Demonstrate strong organizational, communication and computer skills
- Experience with relative computer programs (e.g. Microsoft Office, AutoCAD, etc.) is a plus

This position will require collaboration with other team disciplines including Land Surveying, Planning and Construction Management to maintain project timelines, budgets and client expectations.

In exchange for your talents, Batterman offers competitive compensation including base salary, a generous benefits package, including health/dental and vision insurance, L/S Disability insurance, company matching retirement and paid time off. We are committed to using the latest technology and equipment available to our industry. We offer a comfortable office environment and will provide the successful candidate with opportunities for advancement.

We are proudly located in Beloit, Wisconsin, a community that is experiencing a true renaissance of redevelopment along the banks of the Rock River. We offer Civil, Municipal, Transportation and Land Surveying services to public and private sector clients throughout Wisconsin and Northern Illinois. We are committed to investing in our employees and we provide a challenging and rewarding environment where you can grow both personally and professionally.

Please send your resume and cover letter to:
